*"I was surprised how one online tool can improve teamwork, generating a complete report of your team"*

*Aroa Martín, T360 Administrator*

### Summary

This case study is based on one of the TeamMate 360 administrators and describes how easy the system is to use.

### Challenges

Aroa commented:

" My work is coordinating and managing cultural projects. It's very important meet my team so I think TeamMate is a very useful tool.

I work with remote teams so I think to using online tools it makes the work easier"

## T360 Assessment

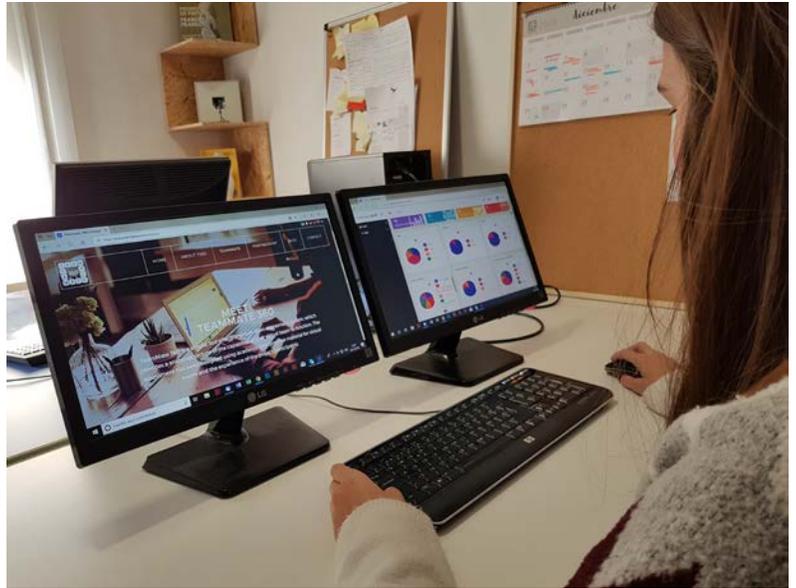

Aroa considers that the degree of satisfaction with the tool is very high.

### The Outcome

During the TeamMate 360 pilot phase, Aroa managed the assessment of fifty three assessments. The time to set up and complete the T360 assessments was minimal. Aroa said she likes using the tool as it does most of the work for you!

### Results and Future Plans

The Ad Hoc Gestion Cultural management plans to disseminate TeamMate 360 among cultural sector networks, where there is a need to have tools to evaluate teamwork.

*"It is a very useful tool with which to improve my team thanks to the report that generates"*

Teammate 360 is a project funded by the Erasmus+ programme.

The project aims to help managers and enterprises involved in the management of remote workers and virtual teams.

During the project, managers completed a 360-degree skill assessment and took part in a course called The Remote Manager.
